

AVERAGE POWER GENERATIONS OF CONTINENT CONSUMPTION

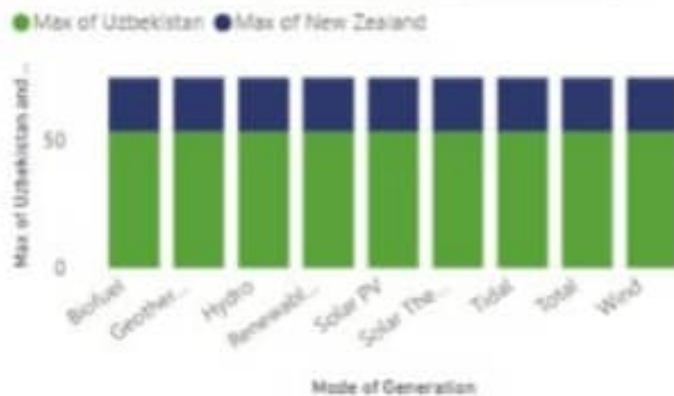

Average of Geothermal (TWh) and Hydro(TWh) by Country power generation

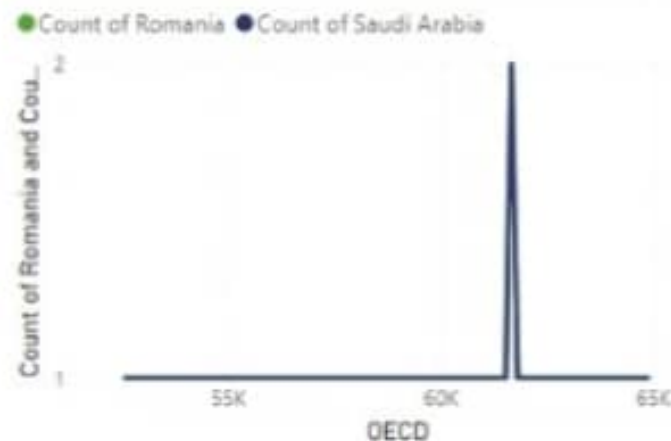

Sum of Total (TWh), Sum of Hydro(TWh) and Average of Solar PV (TWh) by Country.

Maximum difference of Uzbekistan and New Zealand by the Mode of Generation in renewable total power generation

The Count of Romania and Saudi Arabia by OECD in Continent Consumption

Average of Solar PV (TWh) by Country power generation
